

Department of Biological Sciences

- MESSAGE FROM THE HEAD OF DEPARTMENT

It gives me immense pleasure as we present the newsletter that glimpses of our collective achievements of the past year and plans for the future.

I would like to take this opportunity to highlight the establishment of the Biology Quality Enhancement Cell –BQEC, for the capacity building and professional growth of our faculty. Our student-led, Junior Biology Society JBS, held a number of events aimed at engaging the students in co-curricular activities.

Another noteworthy achievement is that the Biological Sciences Department (College) has also been awarded the Second Highest fundraising Intermediate department.

I would wish close by extending my sincere gratitude to Dr. I. Suneel, towards taking our institution to new heights of excellence and accomplishments.
