Department of Computer Science(I)

Forman Christian College, Lahore
(A Chartered University)

Prof. Akram Naul
HEAD OF
DEPARTMENT

Message from the Chair

We have prioritized our aim to serve the best high standard education in Computing and become the exemplary educational institution. To stand on this level, we have the commitments and support of our teaching staff as well as of our cooperative students for achieving the excellence. Considering this modern technological era, we sight to construct our students with the pre-eminent life skills and passion to lead the technical world.

Introduction

Computer Science Department is a part of the Intermediate section of FC. By facilitating the students with best teachers and computer labs to build the best connection between students and their field of computing.

Computer Science Department

Computer Science department is headed by Head of Department, Muhammad Akram Naul and a faculty member Ms. Maria Yousaf. We teach four sections from morning and one section in the afternoon for 1st and 2nd years, thus making a total of ten sections from both classes of ICS. We have two labs in A-Block, A-03 and A-53, in which students are assisted by two lab attendants.

Departmental Faculty

Head of Department/Assistant Professor

Akram Naul
M.Sc (CS) UET, Lahore (University Medal)
(19 years of teaching & computing experience)

Assistant Professor

Maria Yousuf
MS (Software Engineering) COMSATS University
Lahore
(5 years of teaching experience)

Computer Lab Assistants:

1. Mazhar Abbas
2. Mohammad Arshad

Lab Services:

Computer Labs Facilitates:

- Students in learning and developing the practical understanding of the computer field.
- FEAT ACCUPLACER EXAMS.
- ETS Proficiency Profile Test (EXAM).
- IEAP Exit Exam through ACCUPLACER.
- The teaching and Learning Forum (LTF) Urdu Department FCC Workshop.
- Coordinated and managed online quiz competition.
- Learning and teaching classes of Light of Hope school students.
- Moodle exams preparation, readiness and availability.
- Typing and maintaining Urdu document in MS Office.

- BISE Lahore Practical Exams

Contribution to BISE Lahore

We are in the limelight of BISE for performing the practical duties as an Examiner for the years 2017 and 2018.

!!!

Promotions (2018-2019)

- Ms. Maria Yousaf has been promoted as Assistant Professor.

Research Publications

- Prof. Akram Naul published a paper in SERP'08 CONFERENCE (The 2008 International Conference on Software Engineering), Los Vegas, USA Topic: A Comparison of Languages for Specifying Abstract Interfaces.
- Ms. Maria Yousaf contributed in a paper titled "A Lightweight Approach for Specification and Detection of SOAP Anti-Patterns" (IJACSA) International Journal of Advanced Computer Science and Applications, Vol. 8, No. 5, 2017
