# Our Vision

To be a place of opportunity where students receive quality education that produce the future entrepreneurs who are fully equipped to face challenges of today's dynamic business environment. We want to be identified as a leader in business education through our policy of encouraging, fostering diversity, creativity, and leadership. Our aim is to embed strong characteristics in our students to enable them to learn responsible innovation and social responsibility while starting new business ventures and prepare them to produce excellent result in their BISE exams.

## Head of the Department's Message

Khurram Shahzad

I am delighted to unveil the highly anticipated third edition of our Department of Commerce newsletter. It fills me with pleasure to bring you the latest updates and achievements from within our department. I would like to express my heartfelt gratitude to our exceptional faculty members for their unwavering commitment to academic excellence and their dedication to nurturing the minds of our students. Our students are the lifeblood of our department, and their enthusiasm towards curricular and co-curricular activities is truly inspiring. I believe this journey is not solely about acquiring knowledge but also about personal growth and development.

I also extend my deepest appreciation to the efforts of the newsletter team for their meticulous work in bringing this edition to fruition. In conclusion, I invite you to savor every page and absorb every word.

# VISIT TO LAHORE CHAMBER OF COMMERCE

February 21, 2023

Issue 2023

## THE NEWS

An educational visit to Lahore Chamber of Commerce and Industry was organized by the Forman Business Society (Commerce Department) on February 21, 2023. 45 students with 3 Lecturers went for the visit with an aim to learn and gain knowledge about how the Chamber works and in future how they can get affiliation with the Chamber to start with their own startups.

## THE DETAILS

The students were welcomed by the Secretary General, Mr. Shahid Khalil and were then guided about the functions of the Chamber by the Director Research and Development, Mr. Kamran Saeed. The trip was successful in enhancing our student's knowledge and the exposure that they have got will definitely help them in the near future when they will be on the verge of starting their careers.
